Dear Patients and Friends,

The time has come for me to make the difficult decision to leave the practice of Dentistry. This has not been an easy decision to make, but I feel that it's now time to enter a new chapter of life. I look forward to spending more time with my grandchildren, traveling, and pursuing my other interests. I would like to thank you for having been a patient of mine over the years. It has been an honor and privilege being of service to you.

The last 2 years since the pandemic have been a difficult time for small businesses and dentistry is no exception. Many solo practitioners have retired and corporate dental ownership is changing the traditional business model of dental delivery. So after 41 years my practice will close for good on Friday, September 30, 2022.

The next 2 months will be a transition as I will continue to do what I enjoy the most - maintaining and restoring your dental health. My staff and I will assist you in finding a new dental provider and transitioning your records as needed. Instructions for obtaining copies for transferring can be found on my website ([kevindmarshalldmd.com](http://kevindmarshalldmd.com)) or by calling the office during normal business hours. I urge you to continue with checkups and cleanings as recommended to you by myself and the staff.

Finally I would like to take this opportunity to thank you for your confidence, loyalty and support but most of all for allowing me the privilege of being your dentist. I will truly miss the relationships I have with all my wonderful patients.

Best Wishes,

Kevin D Marshall, DMD
